DO NOT MIX YARDWASTE AND RECYCLE.

CART IS FOR YARDWASTE OR RECYCLE ONLY.

NO GARBAGE.

MISUSE OF CART IS SUBJECT TO FINE.

Yard Waste Includes:

Leaves, grass clippings, flowers, garden leaves, stalks, dead plants, spent mulch.

Stripped bark and small (1/2" diameter) limbs and twigs are also acceptable.

Recyclables Include:

Newspapers, magazines, office paper, cardboard boxes (broken down flat), paperboard boxes, tin/aluminum cans and plastic containers with the numbers 1-7 in recycle triangle symbol.

DO NOT BAG MATERIALS to be discarded in this cart.

Please place the cart with arrows facing the street for collection by 6:00AM of your collection day and remove it by the end of that day.

DO NOT overload the cart with soil, sand, rock, sod or other heavy material. This cart is for residential yard waste or recycling only and has a maximum capacity of 220 lbs.

Weeks highlighted in:

GREEN are Yard Waste

RED are Recycle

YELLOW are Extra Yard Waste (additional fee applies)

When carts containing incorrect items get dumped the truck load is considered contaminated and the city is fined. Please follow the schedule on the reverse side for proper collection.

Prohibited Items:

Garbage, hot ash, grease, paints, hazardous or flammable materials, lubricants, solvents, liquids, acids, chemicals, appliances, construction and demolition materials, carpet, dead animals, sharp objects (i.e. hypodermic syringes) Styrofoam, plastic bags or **glass of any color or variety.**

For instructions on how and where prohibited items may be legally and properly disposed of, please call Waterloo Public Works (Sanitation) 291-4455.

The yard waste and recycling service can only be successful with your help.

If your cart was in proper location by 6AM on collection day and was not emptied you must call Public Works (Sanitation) by 4PM the following day for makeup.
